

BOLÍVAR AND HIS TREASURE

Written by Eusebio L.

Illustrated by Hector

In the classic Curious George 2D Watercolor Animation Style

Scene 1: Introducing Bolívar & BIG Love

Bolívar is an English Mastiff. He is a BIG dog.

BIG dogs eat BIG meals, give BIG sloppy kisses, share BIG hugs, and love BIG.

He loves his Big Papa to the moon and back.

Scene 2: Morning Cuddles & The Pantry Race

Every morning, after cuddles and kisses, Bolívar races down the stairs to the pantry.

He barks,
“Woof! Open the door!”

His paws patter eagerly against the hallway floor.

Scene 3: The “WOOF” Cookie Jar Routine

His eyes sparkle as he watches Big Papa reach for the cookie jar—his treasure chest of yumminess!

By now, Bolívar knows the routine. He sits patiently—well, as patiently as a big, excited dog can—with his tail wagging, jaws drooling, and eyes fixed on the cookie jar.

Scene 4: The First Cookie Toss (Plop!)

“Here you go!” Big Papa says.

He tosses a cookie across the kitchen.

Plop! It lands on the rug. Bolívar leaps and snatches it in one bite.

Scene 5: Mid-Air Catch & Gobble! (Whoosh!)

Another cookie flies through the air.

Whoosh! Bolívar sprints to catch it.

Gobble! Gobble! Gulp! Gulp! All gone!

Scene 6: Turning the Volleyball Court Corner

He turns the corner past the volleyball court.

Then he smells something else drifting through the air—**sweet coconut coffee.**

And there, just a few steps ahead, stands the brick townhouse—home.

Scene 7: Spotting the Brick Townhouse

Bolívar's eyes grow wide. His long tail lifts high and wags faster and faster.

Big Papa stands at the door holding a large cup of sweet-smelling coffee.

"Bolívar! Bolívar! Come to Papa! I thought I lost you!" Big Papa shouts.

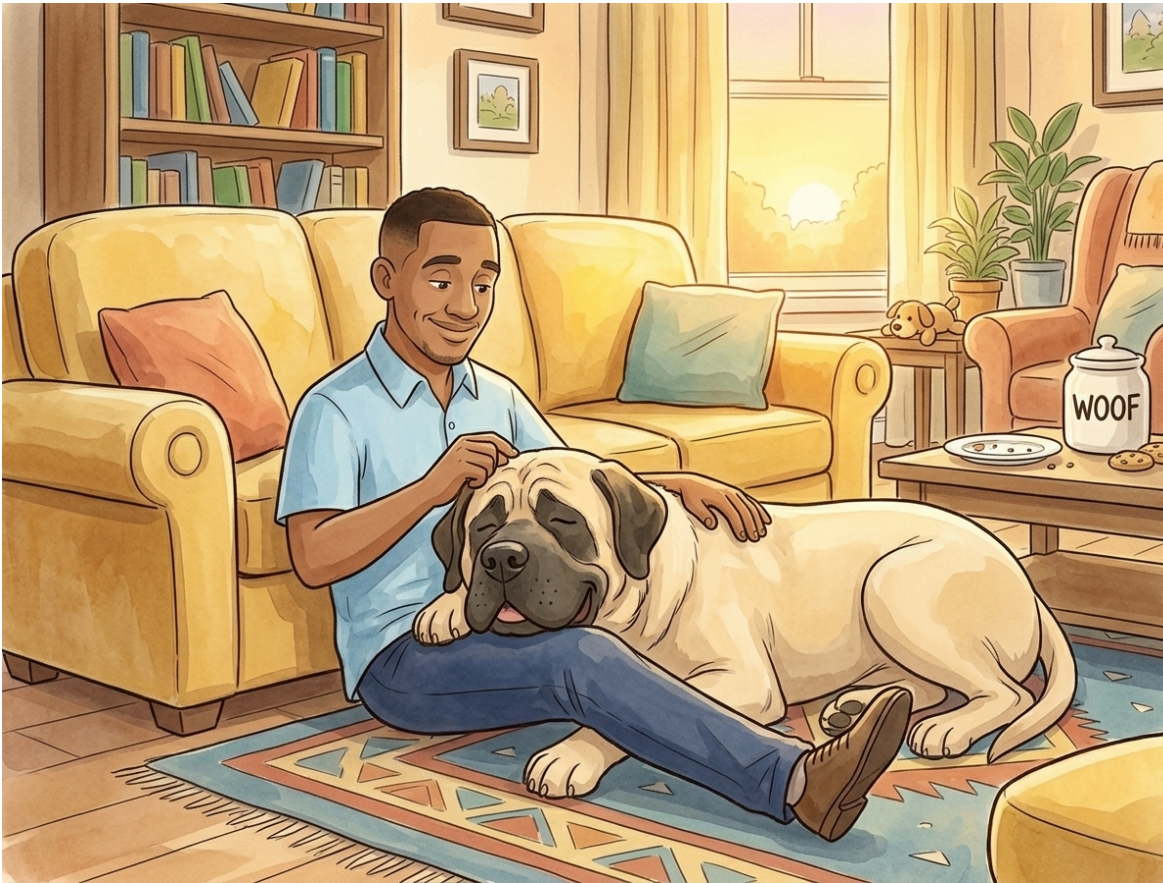

Scene 8: The BIG Mastiff Reunion Hug

Bolívar races forward and leaps into Big Papa's arms, giving him the biggest hug and the sloppiest kisses only a BIG English Mastiff can give.

Slurp! Smack! Slurp!

“Woof! Woof! I missed you so much!” Bolívar barks joyfully.

Scene 9: His Greatest Treasure is Home

Only a BIG dog like Bolívar can give such BIG love!

Bolívar once thought treasures were cookies, stuffed toys, or adventures at the Big Park.

But as Big Papa hugs him tightly, Bolívar finally understands.

His greatest treasure—is home.
